#### 1. AppsMarche NGO App

AppsMarche NGO App is a unique approach for the NGO owners and their clients who want to manage the cause, customers, donations, events etc. in a tech friendly and innovative manner. The app contains various features in it which makes the work to be managed properly and efficiently. Through this app, the NGO Owners can manage all the data of their customers. The owners can view and add the cause, donation, events, and gallery to the app. The customers can view the events and can ask the queries and can give the feedbacks. All the functionalities of an app like sending notifications, managing the cause, donation, and events, etc. are managed by Web Dashboard.

#### 2. How to Get an NGO APP

To get an NGO app, the user has to sign up with us with below URL.

#### http://www.appsmarche.com/ngo-app-appsmarche and select option to Get APP.

By providing, few basic details, and making payment, the user can register with us. Once payment is done, a confirmation email will be sent on registered email id which will contain the details on how to access web dashboard and credentials to access the same.

App will be uploaded on Play Store within 30-60 min duration after payment. We will send a confirmation email once it is uploaded on Play Store. Also, App can be downloaded from Web Dashboard as well.

#### 3. Web Dashboard Walkthrough

Access web dashboard with the URL shared on registered email id.
